

CURRICULUM VITAE

Name	Alue Dohong
Organization	<ul style="list-style-type: none"> • University of Palangka Raya (1) • Queensland University, Australia (2) • Lembaga Pengkajian, Pendidikan dan Pelatihan Lingkungan Hidup (LP3LH) (3) • Wetlands International-Indonesia Programme (4) • Earth Innovation Institute/formerly IPAM-International (5)
Position	<ul style="list-style-type: none"> • Lecturer Assistant at the Faculty of Economics & Master Programme of Natural Resources & Environmental Management of the Agriculture Faculty (1) • PhD Candidate at School of Geography, Policy and Environmental Management (2) • Founder/Principal (3) • Kalimantan Site Coordinator/Consultant (4) • Research Associate (5)
Years within institution	<ul style="list-style-type: none"> • (1) April 1994 - 2010 • (2) August 2011- up to present • (3) April 2009 – up to present • (4) March 2003 – 2011 • (5) January 30, 2013 – up to present
Nationality	Indonesian

Education

Institution	Year of graduation	Degree(s)/diploma(s)
The University of Palangka Raya	1990	Diploma in Economic Development
Nottingham University, United Kingdom	2002	M.Sc. in Environmental Management
Queensland University, Australia	2011-present	PhD Candidate

Key qualifications

Key Qualifications: Program/project management and development; Management of peatland restoration, conservation & rehabilitation; Environmental policy development; Environmental Education; Environmental advocacy & awareness program; Seminar/workshop design and

facilitation; Micro-credit scheme development; and Clean Development Mechanism (PDD and PIN Designs) and REDD.

Professional experience record

Institution/Company	City/State	Position	Principal Role	Length of Service
Earth Innovation Institute (formerly IPAM-International)	Palangka Raya/Central Kalimantan	Research Associate	Involved in as researchers for thematic issues concerning Oil Palm and Tropical Peatlands	1 st January 2013-present
Central Kalimantan REDD+ Liaison Office	Palangka Raya	Expert	Provide technical guidance and inputs relation to REDD+ issues to the Office, including acting as chairman of the provincial team to drafting the Provincial REDD+ Strategy and Action Plan Document	04 th April 2011 – 04 th April 2013
BP DAS KAKAB Central Kalimantan Province	Palangka Raya	Expert Staff	To provide technical inputs and expertise in relation to development of KAKAB River Basin Investment opportunities and Planning	28 th February up to 31 st December 2011
Kalimantan Forest and Climate Partnership (KFCP)	Palangka Raya, Central Kalimantan	Governance and Finance Specialist	To develop and design governance and finance mechanism for the KFCP 'REDD demonstration activities'.	April 2009 – June 2010
Global Environment Center (GEC), Malaysia	Rokan Hilir District, Riau Province, Sumatera Indonesia	Project Technical Advisor	Provide technical guidance and advise to the project of: community-based peatland fire and haze preventions through rehabilitation and improved peatland management in Rokan Hilir District, Riau Province in Sumatera	24/02/2009-31/03/2009
AHT GROUP AG, Management & Engineering, Huyseenallee 66-68 D45128 Essen, Germany.	West Kalimantan Province, Indonesia	Freelance Expert (Peatlands Specialist)	Peatlands Specialist for Project entitled "Feasibility Study Forest Program Embedded into REDD Process Indonesia (Proj.Nr. 7.14.3195)	11/11/2009 – 02/12/2009 (21 working days)
AusAID– Jakarta	Palangka Raya, Central Kalimantan	Consultant	Providing consultancy service to the development of Framework Design for the Kalimantan Forest and Climate Partnership (KFCP), a proposed REDD Demonstration Activity within the Ex-Mega Rice Project	25/03/2008 – 11/04/2008 2 weeks
Wetlands International-IP	Palangka Raya, Indonesia	Kalimantan Site Coordinator	To coordinate the implementation of three principal projects (i) Climate Change, Forest and Peatlands in Indonesia (CCFPI); (ii) Central Kalimantan Peatlands Project (CKPP); Preparation of the Ecosystem Restoration Project in Central Kalimantan (PREKT)	2002- 2009

PT. Unisystem Utama and Association	Palangka Raya, Kapuas, Muara Teweh	Member of Consortium Board	To provide advisory services to the implementation of Urban Poverty Project (UPP) in Central Kalimantan. UPP project is a World Bank funded Project	2003- 2005
The World Bank Office Jakarta	Sampit (Central Kalimantan)	Team Member	To study of Post conflict Resolution in Central Kalimantan	2002
Lembaga Peduli Lingkungan Hidup Kalimantan Tengah (LPLH-KT)/an Environmental-based local NGO.	Palangka Raya, Indonesia	Executive Director	To Coordinate and to oversee the whole LPLH-KT programs notably on Environmental Education development	2002-2004
PT. Rancang Bangun Indonesia (RBI)/a Consultant Company	Pangkalan Bun, Indonesia	Team Leader	To coordinate and to oversee the implementation of PDM-DKE (Project to Resolve Economic Crises Impacts on Communities) – a World Bank Funded Project	2000 (four months project)
Centre for Environmental Research, Palangka Raya University and CARE International	Palangka Raya	Committee Chairman	To carry out and oversee the implementation of Advocacy on Population and environment for journalists in Central Kalimantan	2000 (4 four months project)

Participation (Role) in Key Seminar/Workshop/Research/Meetings

1. *(Research-Team Member)*, **An Heuristic approach to the organizational consequences of Regional Autonomy**, February, 1st – July, 1st 2000; Faculty of Management and Organizational, Gronigen University.
2. *(Research–Master Dissertation)* **The Roles of Socio-economic Factors in Tropical Deforestation and Forest Degradation in Central Kalimantan, Indonesia**; 2002
3. *(International Symposium and Workshop-Presenter)* **International Symposium and Workshop on Tropical Peatlands**, Jakarta 22-23 August 2001;
4. *(Local Workshop-Presenter)* **Environmental Education Development Workshop in Central Kalimantan**, Palangka Raya, 27 April 2002;
5. *(International Seminar-Presenter)* **International Seminar on Wise Use and Sustainable Development of Peatlands, Narathiwat, Thailand**, April 2003;
6. *(National Workshop- Participant)* **Workshop on Forest Carbon Project Development on Peatland to Mitigate Climate Change**, Jambi (Indonesia), June 30 – July 01, 2003;
7. *(Local Training-Presenter)* **Training on Agricultural without Fire**, Palangka Raya, 7-10 May 2003;
8. *(National Workshop Organizer-Chairman and Speaker)* **Seminar and Workshop on Forest Carbon Project, Global Climate Protection and Sustainable Development**-a collaborative seminar and workshop between Wetlands International, WWF, Yayasan MAWAS-BOS and Local Government of Central Kalimantan, Palangka Raya, 28-29 August 2003;
9. *(National Workshop-Presenter)* **Workshop on Wise Use and Sustainable Peatlands Management Practices**, Bogor, Indonesia, October 13-14, 2003;
10. *(International Workshop-Presenter)* **International Workshop on: Human Dimension on the Management of Peatlands in Southeast Asia**, Palangka Raya, 1-3 December 2003. Organized by STRAPEAT and The University of Palangka Raya;

11. (*International Workshop-Presenter*) **International Workshop on Assessment, Conservation, Restoration and Sustainable Use of Tropical Peatlands and Peatswamp Forest Biodiversity**, Kapuas Hotel, Pontianak, 14-16 April 2004;
12. (*Regional Seminar- Participant*) **Seminar on Technology Readiness on supporting Peat and Peat swamp forest Rehabilitation in Central Kalimantan**, Palangka Raya, 12 Mei 2004. Seminar Organized by Dinas Kehutanan Propinsi Kalteng and Balai Litbang Hutan dan Tanaman Indonesia Bagian Timur;
13. (*International Workshop-Presenter*) **International Peatlands Biodiversity, Conservation and Sustainable Use**, Lanzhou City, China, 7-9 July 2004;
14. (*International Workshop-Presenter*) **Seminar/Workshop on the Opportunities and Challenges for Wise use of Peatland in Central Kalimantan**”, held in Palangka Raya on 26-27 November 2004. Workshop was jointly organized by STRAPEAT Project and Palangka Raya University;
15. (*Regional Seminar-Participant*) **Seminar on Optimalization of Coastal Zone and Marine in Central Kalimantan within framework of ICZPM**, Palangka Raya, 4 December 2004;
16. (*National Workshop-Participant*) **Workshop on Sustainable Peatlands Management** Held by Department of Home Affair and Wetlands International Indonesia Program, Jakarta, 30 November 2004;
17. (*International Workshop-paper-Presenter*) **Workshop on Carbon Sequestration and Sustainable Livelihoods**, Held by CIFOR, Bogor, 16-17 February 2005.
18. (*International Workshop-Presenter*) **Wetlands, Water and Livelihoods**, St Lucia, South Africa, 29 January-2 February 2006;
19. (*International Workshop-Presenter*) **ASEAN Workshop on Zero Burning and Fire Prevention Management**, Kuala Rompin, Pahang Malaysia, 18-20 July 2006.
20. (*National Workshop-Presenter*) **Workshop on Utilization of Peatlands for Agriculture, Is it Appropriate?** Hosted by BPPT (Technology Application and Development Agency) Hotel Millenium, Jakarta, 22nd November 2006.
21. (*International Workshop-presenter*) **Integrated Catchment Management for Sustainable Water Use in response to Climate Change Symposium**, Tuesday 1 – Wednesday 2 September, 2009, Treetops, Melbourne Museum, Melbourne, Australia.
22. (*National Workshop-speaker*) **Lokakarya Strategi Peningkatan Partisipasi Masyarakat dalam REDD**, 8-9 Juni 2010, Hotel Ambhara, Jakarta.
23. (*Training of Trainers - participant*), **Training Program on Peatlands Assessment and Management Regional Training of Trainers (ToT)**, 22nd – 26th February 2011, Kuala Selangor, Selangor, Malaysia
24. (*International Training Workshop-participant*) **4th EABRN-UNESCO Training Workshop on Remote Sensing and GIS for Biosphere Reserve Management, WHIST (CEODE)**, Beijing (China), 10th -23rd April 2011, Organizers: UNESCO Beijing Office, EABRN, WHIST and CEODE China Academic of Sciences.
25. (*Business for the Environment (B4E) – Participant*) **B4E Global Summit 2011: Delivering Transformative Solutions for our Planet**, 27-29 April, 2011, Shangri-La Hotel, Jakarta, Indonesia.
26. (Monash University Sustainable Institute Seminar/International Seminar - *Presenter*) **Resolving Policy Conflicts toward a Proactive Response to Climate Change in Indonesia**, 12th May 2011, MSI Conference Room, Bldg 74, MSC, Monash University, Clayton Campus, Melbourne, Australia.
27. (International Technical Workshop – Resource Person)’ **Technical Workshop on Best Management Practice for Sustainable Peatland Management**’, Palangka Raya, Central Kalimantan, 15th – 18th June 2011, organised by Global Environment Center and LP3LH.

PhD Research Topic/Title

Understanding the Success of Restoration Activities in Tropical Peatlands: a Case Study from Central Kalimantan, Indonesia

Additional Training and Course

Year 1999:	Australian Studies Centre Training (participant), Collaboration between PKA UI and Australian Embassy, 9 th -16 th August 1999;
Year 2001:	Pelatihan Peningkatan Ketrampilan Dasar Teknik Instruksional (PEKERTI), PAU-PPAI UT, Jakarta, 21 st -27 th August 2001 (Sertifikat sebagai Penatar PEKERTI)
Year 2002:	Environmental Impact Assessment (AMDAL Type A), Centre for Environmental Research (PPLH), the University of Palangka Raya, 04 th – 15 th April 2002.
Year 2002:	CIDA and the Canadian Environment Assessment Act course, CIDA Jakarta, October 2002.
Year 2005:	Training for Adipura Award Assessor, Banjarmasin, 19-22 September 2005.
Year 2008:	Regional Programme on the Management of Sustainability (RPMS) Southeast Asia, 19-24 October 2008, Bogor Indonesia
Year 2011:	Training Program on Peatlands Assessment and Management Regional Training of Trainers (ToT), 22 nd – 26 th February 2011, Kuala Selangor, Selangor, Malaysia, Organizers: Global Environment Center/ASEAN Peatland Forests Project.
Year 2011:	4 th EABRN-UNESCO Training Workshop on Remote Sensing and GIS for Biosphere Reserve Management, WHIST (CEODE), Beijing, China, Organizers: UNESCO Beijing Office, EABRN, WHIST and CEODE China Academic of Sciences, 10 th -23 rd April 2011.
Year 2013:	Geographical Information System (GIS) Short Course at San Francisco State University, San Francisco, 6 th September – 12 th October 2013.

Award

Year 2007	Wetlands International President’s Medal for Staff Excellence (<i>for providing outstanding leadership in Wetland Management and for developing relationship with and encouraging the involvement of local stakeholders</i>)
-----------	--

International Visit

1. United Kingdom (*Oxford, Cambridge, Birmingham, Wales, Nottingham, London*);
2. Netherlands (*Amsterdam, Den Haag (the Hague), Utrecht, Wageningen (28 November- 2 Desember 2006, 1st IAG CKPP), Rotterdam, Groningen, De Weerribben National Park (15-23 Juli 2008, 4th IAG CKPP)*);
3. Belgium (*Answertpeen*)
4. South Africa (*Johannesburg, Durban and St Lucia, 2006 for International workshop and field visit*); *Durban & St. Lucia, 2011 for UNFCCC COP-17*);
5. Thailand (*Narathiwat, Yala dan Pattani, International Workshop*);
6. Malaysia (*Kuala Lumpur, Kuala Selangor, Petaling Jaya, Kuala Rompin, Kelantan, Kuching4-71208 & Kota Kinabalu4-71208, International workshops, seminars, trainings, field visits*);
7. China; i) *Beijing, Lanzhou Province, Sichuan Province, Chengdu (07-17 July 2004, for International Symposium and Field Trip)*; ii) 5-8 November 2007 (*Shaoxing City via Hong Kong and Shanghai for international workshop and meeting*); iii) Beijing (10th -23rd April 2011 for training)
8. Singapore (19th-20th July 2004; 11th-13th November 2009 (for the Asian Green Governors Roundtable);
9. Brunei Darussalam (*Bandar Seri Begawan and Ulu Temborong*); 17-22 Juli 2007 (HoB Tri-Lateral Meeting, 18-20 Juli 2007))
10. Australia (Sydney, Canberra and Melbourne), 30 Agustus – 08 September 2009 for International Conference; Melbourne, 9-13 May 2011 for International Workshop.
11. Brazil (Sao Paulo, Brasilia, PARA-Belem & Paragominas) for REDD+ official visit, 13th – 22nd March 2011 and 29th April-5th May 2013 (Belem-Para, Paragominas, Santarem for official visit facilitated by IPAM-International)
12. San Francisco, USA (1st September -31st - October 2013)

I herewith declare that this Curriculum Vitae is true and to the best of my knowledge as well as upon my responsibility

Palangka Raya, January 2014

Prepared by,

Alue Dohong
